

Cell Biologics is USA's leading primary cells supplier. They were the first to offer mouse primary endothelial cells from genetically modified & normal mice and other mouse cell types. Cell Biologics provides a broad range of high-quality human and animal primary cells including endothelial, epithelial, tumor and stem cells, along with optimized cell culture media and other culture related products.

Primary Cells

Wild Type Mouse Primary Cells

C57BL/6 Mouse Primary Cells
BALB/c Mouse Primary Cells
CD1 Mouse Primary Cells
B129 Primary Cells
Mouse Primary Cells - Other Type of Cells
Wild Type Mouse Bone Marrow Cells

Genetically-modified Mouse Primary Cells

eNOS Knockout Mouse Cells
1. Knockout Mouse Cells - List
iNOS Knockout Mouse Cells
TLR4 Knockout Mouse Cells
NOX2/Gp91 (phox) Knockout Mouse Cells
ICAM-1 Knockout Mouse Cells
CFTR Knockout Mouse Cells

Human Primary Endothelial Cells

Human Primary Epithelial Cells
Human Primary Fibroblasts
Human Primary Smooth Muscle Cells
Human Primary Cells - Other Cell Types

Rat Primary Cells

Sprague-Dawley Rat Cells
Brown Norway Rat Cells
Lewis Rat Cells

Mouse Endothelial Cells - Diseased

(Diabetic Type II)

Diabetic-Mouse Lung Microvascular Endothelial Cells
Diabetic-Mouse Brain Microvascular Endothelial Cells
Diabetic-Mouse Cardiac Endothelial Cells
Diabetic-Mouse Coronary Artery Endothelial Cells
Diabetic-Mouse Dermal Microvascular Endothelial Cells
Diabetic-Mouse Dermal Lymphatic Endothelial Cells
Diabetic-Mouse Liver Sinusoidal Endothelial Cells
Diabetic-Mouse Kidney Glomerular Endothelial Cells
Diabetic-Mouse Spleen Endothelial Cells
Diabetic-Mouse Retinal microvascular endothelial cells

(Hypoxia-Mice)

Hypoxia-Mouse Lung Microvascular Endothelial Cells
Hypoxia-Mouse Pulmonary Artery Endothelial Cells
Hypoxia-Mouse Pulmonary Vein Endothelial Cells

(Hypertension-Mice)

Hypertension-Mouse Lung Microvascular Endothelial Cells
Hypertension-Mouse Pulmonary Artery Endothelial Cells
Hypertension-Mouse Pulmonary Vein Endothelial Cells

Cell Biologics is USA's leading primary cells supplier. They were the first to offer mouse primary endothelial cells from genetically modified & normal mice and other mouse cell types. Cell Biologics provides a broad range of high-quality human and animal primary cells including endothelial, epithelial, tumor and stem cells, along with optimized cell culture media and other culture related products.

Stem Cells

Rat Mesenchymal Stem Cells

Rat Lung Mesenchymal Stem Cells

Mouse Embryonic Stem Cells

C57BL/6 Mouse Primary Embryonic Fibroblasts

iNOS Knockout Mouse Primary Embryonic Fibroblasts

Nox2/Gp-91Phox Knockout Mouse Primary Embryonic Fibroblast

Mouse Bone Marrow Progenitor Cells

C57BL/6 Mouse Bone Marrow Endothelial Progenitor Cells

Mouse Mesenchymal Stem Cells

Mouse Lung Mesenchymal Stem Cells

B6/129 Mouse Lung Mesenchymal Stem Cells

C57BL/6 Mouse Lung Mesenchymal Stem Cells

CD1 Mouse Lung Mesenchymal Stem Cells

Mouse Bone Marrow Mesenchymal Stem Cells

C57BL/6 Mouse Bone Marrow Mesenchymal Stem Cells

Animal Tissues and Organs

Molecular Biology - Protein Lysate, RNA, DNA

Other Products

Cynomolgus Monkey Primary Cells

Cyno MK Endothelial Cells (Custom Order, 1-2 weeks)

Cyno MK Epithelial Cells

Cyno MK Fibroblasts

Cyno MK Smooth Muscle Cells

Rabbit Primary Cells

Rabbit Primary Endothelial Cells

Rabbit Primary Smooth Muscle Cells

Rabbit Primary Fibroblasts

Rabbit Primary Epithelial Cells

Porcine Primary Cells

Porcine Primary Smooth Muscle Cells

Porcine Primary Endothelial Cells

Porcine Primary Epithelial Cells

Porcine Primary Fibroblasts

Tumor Cells

Mouse Tumor Primary Cells

Mouse Tumor Primary Endothelial Cells

Mouse Tumor Primary Epithelial Cells

Mouse Tumor Primary Fibroblasts

Mouse Tumor Cells - New Products

Human Tumor Primary Cells

Human Tumor Primary Endothelial Cells

Human Tumor Primary Epithelial Cells

Human Tumor Primary Fibroblasts

Other Cells

BALB/c Mouse Hypatocytes (Frozen Vial)

Dog Liver Endothelial Cells

Dog Primary Liver Fibroblasts

Cell Culture Media and Reagents

Basal Cell Culture Media

Cell Culture Media - List

Complete Cell Culture Media

Medium-Kits

Cell Culture Supplements, Reagents

Tumor Primary Cells

Human Tumor Primary Cells

Human Breast Tumor-Associated Endothelial Cells

Mouse Tumor Primary Cells

Mouse Tumor-Associated Endothelial Cells (Human Origin)

Mouse Tumor-Associated Endothelial Cells (Hu Breast Ca. Origin)

Mouse Tumor-Associated Endothelial Cells (Hu Cervical Ca. Origin)
